Mr. Carl Sonny Emerson
VP TASC
731 West Wadley
Building M
Midland, Texas 79705

Dear Mr. Emerson:

Reference the submitted Omni-View Incarceration Design. A preliminary review indicates that the proposal appears to be consistent with minimum jail standards based upon the information and views provided to this office. Conversations with your office indicate that all minimum staffing requirements and any issues that may arise during a plan review process would be addressed. If you have any further questions, please feel free to contact my office.

Sincerely,

A handwritten signature in cursive script that reads "Terri Dollar".
